

Holmes Community College

DUAL ENROLLMENT OF HIGH SCHOOL STUDENTS

Students who are currently enrolled in high school may take college classes if the following requirements are met:

- The student has earned **fourteen core high school units** such as English, mathematics, science, social science, or foreign language.
- The student must have an **overall “B” average on all high school courses**. Students will be placed in a given class according to their ACT scores or placement test scores. Prerequisites and/or co requisites as stipulated in the Holmes bulletin will be followed.
- The student shall request that the high school send an **official copy of his/her high school transcript** to the Admissions and Records at Holmes Community college at least 10 days before the beginning of the enrollment period.
- The principal or counselor of the high school must submit an **unconditional recommendation supporting the student’s enrollment in the program**. The unconditional recommendation should verify that the student is academically advanced and has the maturity and self-discipline required to benefit from this type of program. This recommendation may be in the form of a list of all participating students and should be included with the high school transcripts.

Full credit will be granted but will be reserved until the student graduates from high school and submits a final high school transcript showing graduation or is admitted to college as a full-time student.

Cost - One 3-hour Course **\$306 (plus books)**
