GUES Awarded Healthy School

Grenada Upper Elementary School was named Mississippi's Healthiest School for 2017 by the State Blue Cross and Blue Shield's Foundation, whose Healthy School Awards reward public schools with policies and programs that promote healthy eating. Euenia King (far right) of State Blue Cross and Blue Shield recently presented the cash award of \$50,000 to the Grenada Upper Elementary. Accepting the check was (l to r) school board member Kevin Carnathan, GUES Principal Carol Tharpe, school board member Margie Hughes, and Superintendent Dr. David Daigneault.
